ARTICLE 15.00 – PRODUCTIVITY

The Parties signatory to this Agreement recognize that in the interest of preserving and expanding employment opportunities they have a mutual obligation to consider steps to maintain a standard of productivity in order that the masonry industry can pay the wages and fringe benefits stipulated under the terms of this Agreement. To further this objective, the MCA of BC may institute a sub-committee consisting of an equal number of Employer representatives and Union representatives to make recommendations for the improvement of productivity. Such recommendations may include, but shall not be limited to conducting classes, seminars, and/or clinics, regarding new installation procedures.

ARTICLE 16.00 – GRIEVANCE PROCEDURE

16.01 Definition

(a) A grievance shall be defined as any "difference" between the Parties to this Agreement with respect to its interpretation application, operation, or any alleged violation thereof, including discharge for cause alleged to be unjust by the Union. Discharge shall not include layoff of Employees for reason of project efficiency or reduction of forces on suspension or completion of work.

(b) The party initiating a grievance shall be referred to herein as the aggrieved party. The other party to a grievance shall be referred to as the responding party.

(c) The two (2) Parties to any formal grievance shall be the two (2) Parties signatory to this Agreement, namely the Union and CLR (acting on its own behalf and/or on behalf of its respective signatory member Employer(s)).

16.02 Time Limits

(a) To initiate a formal grievance, the aggrieved party must provide written notification to the responding party within thirty (30) calendar days of the date on which the underlying "difference" is alleged to have occurred. Such notification shall include all relevant particulars of the formal grievance and all relevant and reliance documentation. The Parties expressly agree that a formal grievance shall not be deemed to have been initiated unless/until the responding party has actually received a copy of the required written notification from the aggrieved party. All time limits shall be strictly enforced.

(b) In the event of an alleged error on a pay cheque, such "difference" shall be deemed to have occurred on the date the pay cheque stub was received by the aggrieved Employee(s). Likewise, in the event of an alleged error on the Employer's monthly remittance report, such "difference" shall be deemed to have occurred on the date the remittance report was received by the Union.

(c) There shall be no time limit restriction on a grievance initiated in respect of a wage claim.

16.03 Step 1 (Informal Resolution)

Once a formal grievance has been initiated, the Parties shall make a concerted good faith effort to work out a mutually agreeable resolution. Unless otherwise mutually agreed by the Parties in writing, the aggrieved party shall be deemed to have abandoned the formal grievance in the event notice of referral to the Arbitrator (in accordance with Article 16.04) has not been received by the responding party within sixty (60) calendar days of the date on which the underlying "difference" is alleged to have occurred. Refer to Articles 16.020, 16.02(a, b and c) for clarification on the interpretation of "occurred".

16.04 Step 2 (Formal Resolution)

The Parties expressly agree that the Step 2 is an integral component of the Grievance Procedure in accordance with this Agreement. If the Parties are unable to resolve a dispute within ten (10) working days of a formal grievance being filed, then the dispute shall be referred to a three (3) person arbitration panel. One (1) panel representative shall be appointed by the Employer, one (1) panel representative shall be appointed by the Union, and the panel Chair shall be an Arbitrator mutually agreed by the parties All appointments shall be made within five (5) working days of the dispute being referred to the panel. Such process shall apply on all unresolved disputes.

(a) The panel shall meet with the Parties and shall attempt to facilitate a mutually agreeable resolution.

(b) In the event the panel is unable to facilitate a mutually agreeable resolution in accordance with Article 16.04(a) each Party shall be required to submit a proposed determination/award, in writing to the panel. The panel Chair shall determine their own procedure including timing for such submissions. Upon receipt of both proposed determinations/awards the panel shall provide a copy to each Party.

(c) The panel shall consider the relative merits of each of the proposed determinations/awards and shall select one (1) of the proposed determinations/awards in its entirety and may not impose any alternative or modified determination/award without the prior mutual agreement of the parties. The award of the majority of the Arbitration Board shall be final and binding on the Parties and shall be carried out forthwith.

(d) The panel Chair shall provide a summary of the reasons for their decision within their award.

(e) The arbitration panel shall have and may exercise all powers of a mediator/arbitrator pursuant to the *BC Labour Relations Code*.

(f) The Parties may mutually agree in writing to any other grievance resolution procedure which they agree is appropriate under the circumstances.

16.05 Expenses

Each party shall be responsible for one hundred percent (100%) of any "party specific" costs and fifty percent (50%) of any "joint" costs" which may be incurred during the informal and formal grievance resolution process.
